Hakkında

Netfoods

Türkiye'nin tarımsal alandaki yetkinliği ve bunu konuda elde ettiğimiz geleneksel tecrübelerimizi bir araya getiriyoruz. Toprağın kıymetini biliyoruz; sektörel tecrübemizi işimize duyduğumuz sevgiyle birleştiriyor, en kaliteli tohumlardan elde ettilerimizi sofralarınızda sizlerle buluşturuyoruz.

Netfoods Frozen olarak Konya ve Afyonkarahisar bulunan tesislerde hammaddeyi bilgi ve teknolojik imkanlarla işleyip en lezzetli, kaliteli ve turfandaki gibi taze haliyle sevenleriyle buluşturuyoruz.

Yıllık 25.000 Ton dondurulmuş sebze, meyve, kaplamalı ürünler ve yöresel ürün üretim kapasitesi hizmet verdiğimiz toplu tüketim kanalları, parkende ve ihracatta asya ve avrupa ülkelerinde hizmet vermekteyiz.

Üreten Türkiye gücümüzle gurur duyuyoruz. Ülke olarak yaptığımız kaliteli yatırımla üretim anlayışımızla ve geniş ürün yelpazemizle de Türkiye'nin yenilikçi yüzü olmaya devam edeceğiz.

About Us

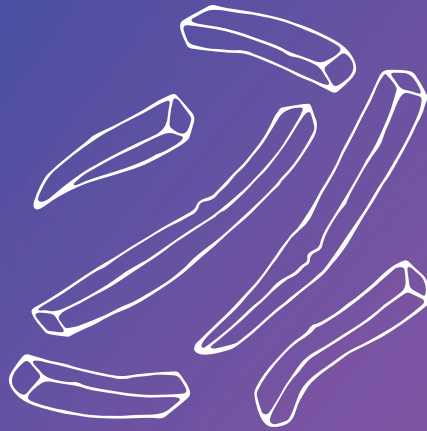

Netfoods

We are combining Turkey's agricultural competence and our traditional experience in this field. We know how valuable the land is; we gather our experience in the industry with the passion we have for our work and bring you what we get from the best quality seed to your table.

As we are Netfoods Frozen, we process the best raw materials using the knowledge and technological capabilities in our factory in Konya, and deliver the most delicious and highest quality fries to the ones who love it.

We have been producing through mass consumption channels retail and export with our annual production capacity of 25.000 tons of frozen potatoes, frozen vegetables and coated products.

We are proud of our power of producing Turkey. As a country, we will continue to be the innovative face of Turkey with our quality investment, production approach and wide product range.
